**Dr. Michael Blumberg Wins Awards-Voted 7 years as *Best Doctors in America***

**RICHMOND VA.** 10/19/09 — Dr. Michael Blumberg, managing partner of Virginia Adult & Pediatric Allergy & Asthma (VAPA), has been selected by his peers to be included in the *Best Doctors in America* 2009-2010 database. This is the 7<sup>th</sup> year that Dr. Blumberg was chosen for this prestigious award. An exhaustive peer-review survey by thousands of doctors determines the physicians included in the database. Only those who earn the consensus support of their peers are included. Doctors cannot buy listings. For this reason, inclusion in the *Best Doctors in America* database is a remarkable honor.

Dr. Blumberg is Board Certified in Allergy & Immunology and has been practicing in the Richmond community for over 30 years. He has been on the editorial board of the Journal of Asthma for the past 15 years and recently was invited to serve on the editorial board of the Annals of Allergy, Asthma and Immunology. The Annals is the official publication of the American College of Allergy, Asthma and Immunology. He is also a fellow of the American Academy of Allergy, Asthma and Immunology, the American College of Allergy, Asthma and Immunology, the American College of Chest Physicians and the American Academy of Pediatrics. Dr. Blumberg has published numerous papers and abstracts in the field of allergy. He is active in the community as well, winning several community service awards including the Maimonides and Chesed awards.

Dr. Blumberg's undergraduate alma mater is Brandeis University and he attended Jefferson Medical School. His internship and residency was at Weil Cornell Medical Center in New York and he completed his fellowship in Allergy and Immunology at National Jewish Health and
